

Commodore

I would like to thank everyone for a great summer. Not too long ago it was just the end of May and here it is October and boats are coming out of the water. Even though the boats will soon be in storage, remember there are still a lot of weekend activities up through the first of the year.

Debbi and I will be attending several more Commodore Balls in October. We are proud to represent HVYC at these beautiful evening events. The Color Cruise was a great day with beautiful scenery and I hope everyone enjoyed it.

Thanks for all of the help at the 4th annual Dinghy Run. It is always fun to see everyone enjoying their inflatable's, jet-skis and jet boats. Special thanks to P/C Ray and Carole Hennan for their help.

Congratulations to Fleet Captain Howie Peace and HVYC on winning third place for the AYC Poker Runs. Congrats also to Jim Keaton on winning the second best hand in the AYC Poker Runs. Also, thanks to everyone that ran their boats or drove to the Poker Runs.

Election committee is trying to contact everyone to determine who is interested in becoming an officer. Please help them by contacting the clubhouse if your phone number has changed recently.

If you have any questions or concerns, please feel free to call me (419-343-1973) if you have any questions or concerns.

Let's Go!!

It was nice to see Harbor View make a very respectable showing this summer at the five AYC Poker Runs. It seems as if we were either number one or number two in attendance, and also, total mileage per event. Great Job!!

One comment I frequently hear about Harbor View is how active we are as a Club. There always seems to be something going on or coming up. We've been very successful in attracting new members. I attribute that mainly due to our many activities and friendly, family atmosphere.

Whoosh!!

That's the sound of summer passing us by. Not much time left to put on the Speedo's and hit the beach. I'm sure there are a few brave souls willing to give it one last hurrah. How about it? Any takers? I'll show you my Speedo if you show me yours. Let's Go!!

Entertainment

“SO YOU THINK YOU CAN COOK”. Contest is on going and will run through the end of October. Hopefully all the spots are filled by this time but if not please sign up. Remember the winner will receive gift Certificates totaling \$100.00. Sign up sheet is on the board, along with the complete rules.

October’s schedule features the Color Cruise Oct 3rd including a Steak Roast with Entertainment by the Fabulous Rock Hard Band. Also in October we have our Kid’s (10/25) and Adult (10/31) Halloween Parties, both of which will include costume contests.

Don’t forget we have our Feather Party on November 7th and donations would be most appreciated, so keep your eyes open.

The Adult Christmas Party is scheduled for 12/12 and planning is in progress. Michaels catering will be involved again this year so make sure you mark your calendar for a wonderful time.

October’s menu is posted on the calendar on the back of this Navigator but due to the contest it is not complete so I will try and keep it updated on our WEB site. www.hvyc.com (Calendar is in the Forum)

Thanks,

Sail Fleet

I’d like to apologize for the not providing an article for the last two months. I missed the deadlines due to vacation and computer issues.

A lot has happened with the sail fleet. New members and more sticks in the creek -- welcome aboard. On August 15th, we were involved in an exercise with the United States Navy and their Sea Cadets. Always a joy and an honor to work with the Navy. It was a joint venture with the Navy, HVYC Sail Fleet, Jolly Roger Sailing Club, and a few power boaters from HVYC. I’d like to thank everyone involved, especially Mike Joseph for making the arrangements. The Club benefited with some very good PR. We were mentioned in various newspapers in the area.

When you read this it will be October; still and good month of sailing and fishing left for the hardy. Sadly the sailing season is coming to a close for soft water. The hard water sailing is around the corner for ice yachts.

Hope to see you at the next meeting at 6:00 pm just prior to the regular meeting.

Fair winds and following seas,

Work Coordinator

Hello friends and fellow members of H.V.Y.C. By now you should have gotten your 24 work hours in for fiscal year 2009 (October – September). You had until September 30th to get those hours in. All hours must be in my mailbox NO LATER THAN OCTOBER 31st. If you did not get your hours in, the bills will be in the mail per the by-laws.

Your Work Coordinator

Auxiliary President

Well, here we are again, the end of another fine summer! With the change of the seasons comes the nominations for the change of officers. If you're looking to get more involved with the Auxiliary and the Club, this is a great way to do it. We have a lot of fun putting together all the activities we sponsor. Remember, everyone helps on everything, you never do it alone. Talk to me or any of the other officers to find out the duties involved. If I can do it, you can too! Take a chance, you might have some fun.

Corresponding Secretary

October is here and elections will be coming soon, feels like I just uncovered to boat and it's time to shrink it for the winter again {wind permitting}. All in all it's been a pretty good year at Harbor View. Having fun with all my friends and making new ones it seems all the time. For any older members it wasn't going to good a few years back but Happy Valley is happy again. I myself have been getting plenty of rest in the Club this year {at a table or at the bar}. Third shift is a killer but I wouldn't want to work any other shift. A few years ago when Bruce asked me if I would be interested in doing this job I wasn't to sure but I love learning things on these computers. Wish I knew more.

Once again it's that time of the year for me to thank a few people for making my job easier. My wife , Vicki who seems to know some of the things I don't know on this stuff or an easier way to do it. Then there is Bruce Novak who still does a lot of the work you don't know about but you all think I'm doing! And then we can't forget Jeff Bobak who pick's up & put's together and then mail's the Navigator for you {me}. Also John Pahl that run's our web site and keeps all our info and post-ings of the Navigator online. Last but not least I have to thank anyone who has posted an ad or article to make this worth the trouble of doing. It's not to much trouble but chasing the officers down for reports NEVER ends. Believe when I tell you its not easy writing about what your going to do next month and telling everyone in advance what a great time you had.

Thanks again,
Jim "Fish" Fisher
